“Occupy The Life”

That's why we have been saved with benefits, privileges, covenants, promises, and rights but they are not doing us any good because we are in a position of a talking stage and not in the possessing stage.

Jesus said occupy until I come. Occupy everything that I left you. We are supposed to be occupying The Life until He comes. But we have not occupied the Life of Christ. We have now settled for compromise, religion, and tradition. We are having a form of Godliness but denying the power. That is the telling sign, when you are denying the power of God you have a problem with God. What God is telling you today is, occupy, until I come.

We are learning about this Life of Christ, this better Life. The 2-fold application has not taken place. What is happening is we are saved Christians but still not happy. We still don't have any peace. We are depressed, suicidal, bitter, and resentful because we heard about the Life, but we failed to seize and occupy it.

Here is an example of not seizing or occupying.

As much as I want to, I can hear about this glass of red colored Gatorade I have here in front of me.

Describe it, think and talk about how good it will taste, but I cannot partake of this glass of Gatorade and drink it unless I seize and occupy

it, take a hold of the glass lift it up, make it mine, and take a drink. Even though it's there, bought and paid for, It's mine... It doesn't do any good until I occupy it. I have to take it and apply it.

We have been talking about salvation for some time, but we have not taken possession of it.

What does the word, occupy mean. Take possession of it. You now take it and make it yours to use for whatever your purpose is. This is your house you occupy it and possess it until I come. That means, you can stay here. You can sleep here. Make it yours. This is yours, occupy it! God is saying, I didn't ask you to build it I just asked you to occupy it and move in. I need you to make it yours. Then the burglars and thieves know they can't break into your place. They are saying, 'somebody lives there.' They see signs of occupation.

That's what the world need to know about the body of Christ. He still LIVES! They need to see somebody living in Christ. They should say, *'I see the living embodiment of somebody living in Christ. I know He's real. He's still alive. He rose from the grave.'* They are looking at the ones who are occupying His Life now.

There is a Life from God that is available for those to occupy until He comes. God is letting us know, He doesn't want us Christians just to move in on Sunday's.

“Occupy The Life”

“You Now Take It and Make it Yours”

He doesn't want us just to get together when a crisis comes. Only to pray and call on the name of Jesus at that time. See, you have to know the power of prevention. Because we don't know this, we have to go through unnecessary prayer sessions. It is easier to keep something from us, beneath our feet, then to have to pray it off us. If we pray the prayer of protection, it would have never reached you. But if we don't, it reaches and gets to us. Now you have to fight it off. You have to fight your senses. Now it's attacking our flesh. Your flesh is telling you, 'you're hurt, you're lying, you know that pain is there. You know you don't feel good.' When you learn the power of protection and prevention, issues and stuff can be kept from you.

What is the power of protection. Go to **Galatians 3:13** in the Amplified Classic Edition. It says, "**Christ purchased our freedom (redeeming us) from the curse (doom) of the Law (and its condemnation) by (Himself) becoming a curse for us, for it is written (in the Scriptures), Cursed is everyone who hangs on a tree (is crucified).**" Let's dissect this scripture now. When you see the word Christ, that was the man, the anointed Messiah, that was coming to die in the place of all mankind. When you see *'The Christ,'* that means humanity, The Man, the anointed Messiah and all His anointing. The Man

that was promised to come to redeem all man. The payment...the Man that had to die so we could live. In the scripture, 'Christ purchased,' that means redemption. He paid the debt that was owed. Christ purchased our freedom. If Christ paid the price for us to be free, then we are free. But we now need to elevate our minds to this information. We no longer have the mindset we are a slave to sin. We can't have the mind of someone bound. We can't have the mind of someone defeated. We have to elevate our thinking and occupy the new place where God said you are. Just say, 'I am now free!'

The next word in the verse is redeemed. That means you have been purchased. Christ purchased my freedom. That means everybody should be free. We didn't earn this. It was done for me. That is not a statement of people that are defeated, oppressed, and depressed. This is a statement of Truth that the devil does not want you to know.

You are still **TRYING** to get free. The keyword is trying.

You might crying out, 'Lord, I'm still trying to get the victory over this.' God is saying this is a work that was already done on your behalf that you are trying to get the victory over and still trying to get free from. The work for your healing, your restoration, deliverance, and redemption has already been done. What happened? You just didn't occupy it.

Take hold of what was given to you by the shedding of Jesus' blood and occupy it until He comes.

‘Life Changers’

“Get in on the highly anointed prayer. God is doing miracles and changing so many lives with the power of prayer. You can be next! Take-a-look at the powerful testimonies. See you Soon.”

Pastor David

“One day I woke up and could hardly move or walk. I was having muscle spasms on my lower back. I was in severe pain. I took some medication, but nothing seemed to be working. As the day progressed, so was the pain. In the past, I went to the hospital when this pain starts. It is really unbearable to the point where I would be crying and screaming because the spasms are so intense. It would last for days at a time, sometimes weeks. My daughter, who is a part of ‘Life Changers,’ adding my name to the prayer list. I was on Facebook, when Pastor David

“God blessed me to get a 6-figure job after struggling for years in lesser paying jobs. It took faith by hearing the messages through Prayer Healing and Deliverance Ministries and getting empowered to pray. It took the prayers and the counsel of the leadership of Prayer Healing and Deliverance Ministries to cover me. They are who God used to get me where I am today. I thank God for Pastor David Girley and his prayers. He is truly a blessing to me and everyone who is a part of PHD Ministries.

Zoe

Girley and the Life Changers began to pray for me. Instantly I was healed of all pain. In fact, I came to church the next day and testified of the miracle that God gave me. I thank God for Pastor David Girley and the Life Changers for their prayers. I am a believer that miracles do exist, because God performed a miracle in me.” Valia

Do you know the Jesus of Disability?

Have you or a loved one been experiencing a sickness or disease that has lasted months, years, or decades? Maybe you have an incurable condition that you were born with where everyone says you will have it the rest of your life. Jesus heals those conditions too. The ones that are supposed to last forever. The forever sicknesses and diseases. The crippled, lame, maimed, blind, deaf, and mute. Doomed conditions, no hope. But Jesus said, NOT SO! I am the forever Jesus that came from Eternity to make you whole, restore and heal your condition that the doctors, the religious, and the unbelievers said you would be this way forever. ***He is the Jesus of Disability.*** If you have a disability, do you believe Jesus can make you whole? He made a leg before, don't you think He can do it again? He made eyes that can see in the Beginning, ears that hear, legs that walk, He can do it again! Whatever your ailment is, Jesus has the power source to perform your miracle. Your circumstance looks forever, but not to Jesus. The crippled got up and walked, the blind saw, the deaf heard, missing limbs grew back. Your disabled condition is not too hard for God. According to your faith it shall be done. When you have faith in God, His power goes to work according to His Word for people who have faith in it. All things are possible for him who believes.

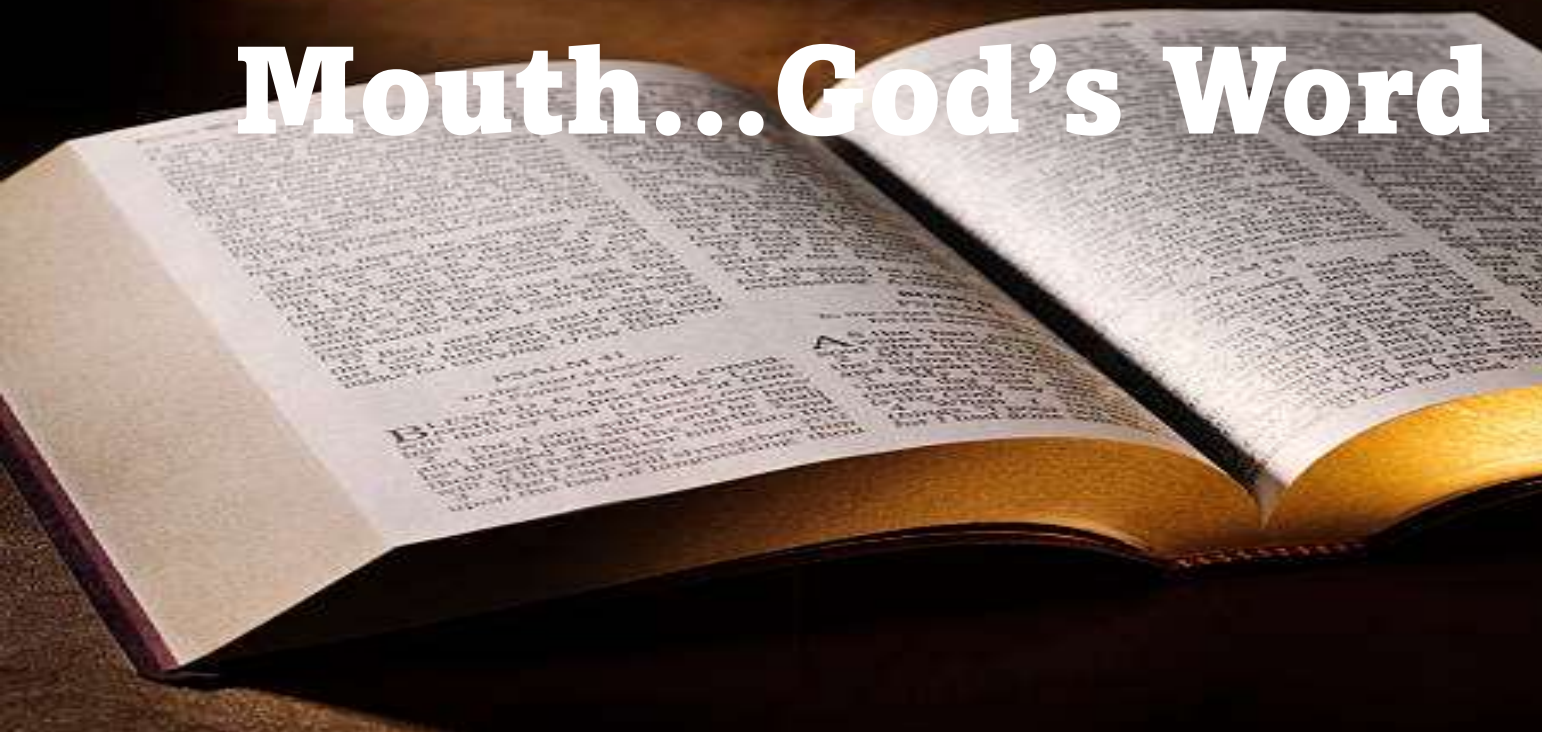

Depressed? Just Stay Alive

When do the tears stop? Good question! Did you know God puts all your tears in His bottle. Yes He does! He sees every one of them. The tears stop when you want them to. Harsh, I know, it doesn't seem like it. However, you possess the power to stop the relentless torment by faith. Jesus is holding His hand out to you right now saying, **'Come to me.'** I know it feels like nothing can help. No one can take the torment away, but Jesus can. Stay in faith. Say what God says, and not what depression says. Say **"no weapon formed against me will prosper. With God all things are possible to him who believes. Trouble doesn't last always. I'm not alone. God is for me."** When you say these things in faith, it will strengthen you. You are still here because you still have hope. Yes, you do! Now that's strength. Just when you thought all hope was lost, Jesus stepped in and said, **"NO! Not you, you belong to Me!"** His hand is still extended. The suicidal thoughts are speaking louder than Jesus right now to keep you from having faith. If you don't have **ANY** good (or so-so) days, then you haven't cast or thrown any of your cares onto Him yet. It's because there is doubt. Doubt in God feeds depression. Keep believing, don't give up. There is an end to this. In Jesus Name

I am determined to stop depression and the suicide epidemic in America. I will be with you here in The PHD International every month. I am with you everyday on 'X': [shawlisaa](#) Follow me. Send in a prayer request at www.phdministrieint.org/prayer-request and we will pray for you.
